#GIVING TUESDAY

Here are some wonderful ways you can designate your holiday giving this year!

- The civil unrest & out-of-control inflation has made the purchase of basic necessities like food and fuel a challenge for our friends in Haiti. If you would like to help provide for these critical needs, designate your donation to "**help for Haiti**".
- Unexpected car repairs can be devastating to a family on a tight budget when the need to get to work is critical. If you would like to help FFCC care for a family by helping to get their car running, designate your contribution to "**car repairs**".
- FFCC often sets up foot care stations where the homeless can come and soak their tired feet, and more importantly, receive the necessary care that their feet need. FFCC provides a hygiene kit and new socks for the continued care. If you would like to make a donation towards FFCC's foot care program just designate your donation accordingly - "**foot care**". 
- Many families in the Bahamas still have NO home to go back to for the holidays. FFCC is trying to help a few of these families make the needed repairs to their homes and businesses. Your donation can help! Designate your donation "**help for Bahamas**". FFCC will return to the Bahamas on Dec 16th to bring more support. Join us! Contact Phil at philffcc@san.rr.com.
- FFCC is taking hats and sunglasses to children in Tanzania who have albinism, a condition where there is no melanin in their skin. The lack of pigment makes them very susceptible to skin cancer. If you would like to help the children, designate your donation to "**hats & sunglasses**". 

100% of your tax-deductible donation will be applied to the designated cause. You can send your donation to:

FFCC
12463 Rancho Bernardo Road, PMB #158
San Diego, CA 92128 or donate online at www.ffcsd.org.

If you are taking advantage of *Black Friday & Cyber Monday* deals on Amazon, remember Friends & Family Community Connection on Amazon Smile. FFCC benefits with every dollar you spend.

Thank you for partnering with FFCC this year! Your time and resources have made a world of difference for so many!
