

## Help Comes In Many Forms A Shout Out to Those Making a Difference

Our FFCC community is working hard to address the many issues that are impacting all of us. We want to give a shout out to a few of you.

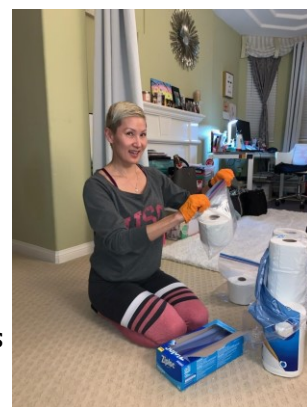

**THANK YOU** to the Poway & San Marcos Dream Dinner customers and staff and all those in the community for the ongoing food donations and financial contributions. They are making a BIG difference. We have updated our pantry list to reflect the most current needs. [Click here](#). **More is needed!** We are distributing the food as fast as it is coming in. The pantry shelves have never been this empty as we work to meet the needs of so many. Your continued support and resource connections are greatly appreciated. Ways to donate are provided below as well as drop-off locations.

A shout out to **Linda Mauch** and her neighbors who organized a front porch food box collection drive on the Neighbor Next Door App in Rancho Penasquitos. It has been a very positive project.

**Meeshie Nguyen** is buying toilet paper in bulk and then repacking it in individual packages so as to benefit more people. She posted her idea on Facebook with FFCC's information for drop-off locations. Her idea has inspired others to do the same.

Thank you **Pacific Southwest Community Development Corporation Resident Services** for your lead in implementing a safe "no touch" food distribution. They are servicing seven different apartment complexes with food distributions for food insecure families in the area. Their care for the residents is clearly visible with the safe and compassionate food distributions they have offered with FFCC food resources. Fresh citrus and garden grown veggies were also provided from the **Backyard Produce Project**. Great collaborative effort all around!

Share your stories of the meaningful and creative ways you see the community caring for each other. We would love to give them a shout out of thanks! Send your stories to Tina Socha at [tina.socha@ffccsd.org](mailto:tina.socha@ffccsd.org).
