

DAPHNEY SIMON

ADMINISTRATION

Anticipated Graduation: December 2020
School: HAUTES ETUDES

“My goal is to study World Economics. I worked at my school through the summers so that I could afford to finish high school. I am so anxious to move onto college so I can become a great economist. I want to be able to help my country and most importantly give my mom a better life. I really appreciate the things she has done for me and my siblings.”
