The residents of the Bahamas are still reeling from Hurricane Dorian and are now bracing for the impact of Tropical Storm Humberto. Much help and support is needed and FFCC is responding. A container of *Fight Against Hunger* meals arrived in Fort Lauderdale today and is being loaded onto a barge bound for Nassau. In partnership with organizations like Kids Around the World and Citiimpact, FFCC's meals will be delivered and then prepared and served by cooking teams that are on the ground caring for the victims.
