

270,000 Meals En-Route To Haiti

FFCC Is Investigating Help for the Bahamas

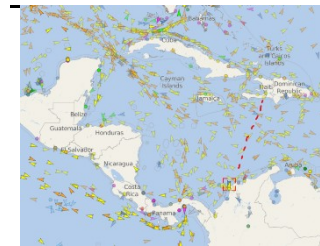

The NYK Nebula is the vessel carrying the container of FFCC Fight Against Hunger meals headed towards Haiti. Thank you, Hunter Industries for this gift to the Haitian people. It is scheduled to arrive in mid-September.

While the Nebula makes its way across the Atlantic towards Haiti, Hurricane Dorian is bearing down on the east coast and has annihilated the Bahamas. Reports coming from the

Hurricane Dorian by NOAA

Bahamas speak to the GREAT NEED for food, safe drinking water, and tarps. If you have contacts in the Bahamas that could be useful to FFCC's effort to get food and supplies to the Bahamas please contact Phil Harris at philffcc@san.rr.com.

Other ways you can help:

- Sponsor a Fight Against Hunger Event and package nutritious non-perishable meals that could benefit families in the Bahamas
- Donate \$75 for a water filter that will provide safe drinking water
- Make a financial contribution towards the relief effort that will benefit those impacted by Hurricane Dorian.
- If you are interested in traveling with FFCC to the impacted areas, contact Phil Harris at philffcc@san.rr.com

All donations to FFCC are tax-deductible. Note "**Hurricane Dorian**" in the memo section of your check or in the special instruction box of your online donation. FFCC will provide updates on the effort to provide help and support.
