WHAT IS AN ONLINE TRAVEL REGISTRY?

A travel registry is similar to a traditional registry, in which you sign up for the gifts you would like to receive. With Funjet Vacations, you build a registry with your anticipated activities and experiences. Guests contribute monetary gifts towards the activities and experiences listed on your registry page. As you receive gifts, you can redeem them for cash* at anytime during the registration process.

HOW DOES THE PROCESS WORK?

1. Create a free account in **2 minutes**.
2. Easily customize your registry page complete with gift images & descriptions, video, photos, and travel plans. Don't forget to add Travel Agency contact information for your guests.
3. Your custom home page will have an easy-to-remember web address that you can create.
4. Your guests visit your registry page and securely give a monetary gift towards your travel experience using a credit card. Redeem your monetary gifts at any time and use them towards anything you want.

*A 7.5% service fee is assessed when a gift is given to your registry account. Unlike with most other online registries, guests are never charged an extra fee. If you place an item on your registry that costs \$100, it will cost your friends and family exactly \$100 to purchase it for you.
