Enjoy generous pours of 6 different beautiful Rosé wines selected by Keith Lofton for their affinity with macarons. Each French macaron has been handcrafted by Karl Vivier, at A Cacao Affair, to pair with each Rosé wine. Both the macarons and the wines will be available for sale at this event.

Karl personally makes every macaron in-house at his artisanal boutique in Marietta. He is a major macaron supplier to restaurants and hotels in our area. Made in the French gourmet style, Karl uses only the best ingredients for his macarons. Through his website (acacaoaffair.com), Karl offers custom chocolates and macarons for any kind of event, from weddings to special customer appreciation and pairing events.

Whether you bring a friend or come alone, we look forward to sharing the afternoon with you.
