

# TECHNICAL SERVICE BULLETIN

## 19-001

**Date Issued:** March 14, 2019

**Subject:** LGC Maine Standards' Shipping Protocol

**Explanation:** LGC Maine Standards products shipped with frozen gel packs and indicated with "Cool Arrival" on the packing slip, may arrive thawed when received at your facility. Thawing of product during shipment will not adversely impact product performance. Once product arrives at your facility, immediately store at the recommended storage temperature.

VALIDATE<sup>®</sup> Heparin and VALIDATE<sup>®</sup> Fibrinogen products should arrive at your facility frozen and immediately be stored at the recommended storage temperature.
