

# AUTUMN FESTIVAL

**ODEUM EXPO CENTER, VILLA PARK, ILLINOIS**  
**FRIDAY, NOVEMBER 15, 2019**

This huge autumn craft show features hundreds of skilled artisans and craftspeople from 30 states! There are no commercial vendors - all of these items are handcrafted, American-made home décor and gifts. Enjoy shopping and meeting the talented exhibitors who design and produce their unique products. You're likely to visit with a painter, potter, metal sculptor, wood carver or jewelry-maker as you stroll the numerous displays. You'll find a large variety of styles including traditional, country, contemporary, Americana and cottage works. Handcrafted items for sale include rugs, original paintings and prints, folk art, baby items and toys, pottery, wood carvings, stained glass, baskets, dolls, quilts and much more. And of course, there's a wide variety of holiday gift ideas. There is a good range of prices as well, so everyone is able to find items within their budget. On-site food and drink is available, and an entertainment stage allows you a chance to take a break from shopping and enjoy some local performers, including musicians, jugglers and magicians.
