December 16th, 2020 – Los Lagos

Arrival to Puerto Montt airport and transfer to Puerto Varas hotel

With a great choice of open-air adventures, distinctive Chilean-German traditions, and a truly stunning natural setting, it is no wonder many visitors to southern Chile make a bee-line for Puerto Varas, an enchanting town with a sweeping lakeside promenade and magnificent views of the distant volcanoes from the shores of peaceful Lake Llanquihue. Dubbed the 'City of the Roses', slow down and take a leisurely stroll around Puerto Varas to appreciate its traditional, unmistakably Germanic architecture and its pretty residential neighborhoods with their well-tended gardens.

Visit Petrohue waterfalls and Volcano Osorno.

See the startling scenery of Chile's Lake District from different perspectives on this 4-hour small-group tour from Puerto Varas. First, look out over the postcard-worthy landscape of Llanquihue Lake, framed by the volcanic peaks of Osorno and Calbuco. Next, climb to a height of 3937 feet (1,240 meters) and enjoy glorious aerial views from the Osorno Ski Center. If that's not high enough, you can also opt to ride the chairlift (extra cost) to the lookout points at Station Primavera or Station Glacier. A lake originating from a glacier and an active volcano, famous for its perfectly shaped crater, are two of the attractions you can see with this package. The tour starts on the southern shores of the Llanquihue Lake, where you will learn about the German settlers and agriculture in the zone. Once in the Vicente Pérez Rosales National Park, you will be able to enjoy the imposing Petrohué Waterfalls, which stun visitors with their turquoise waters. From there, we will go on to the origin of the Petrohué River, Todos los Santos Lake, where we will visit some of its sleepy beaches. By then, we will be at the foot of the Osorno Volcano to enjoy a lunch in the village of Ensenada, before continuing up to the ski resort on the volcano. On route, you will be stunned by the panoramic views of the Petrohué River valley and the beautiful Llanquihue Lake.
