Riu Palace Costa Mujeres is a new deluxe property located beachfront in Playa Mujeres area near Cancun. This new resort opened in December 2018 and it offers an expansive beach area, several swimming pools, a variety of restaurants and bars, as well as a vast lineup of activities and watersports for everyone. There is an adjacent water park available for younger adults and kids too. Nightly entertainment is also included. We will also have a list of available sightseeing excursions you can join during your stay. We expect the sightseeing details to be communicated to you in October 2019.

Junior Suite room accommodations are included with all rooms. Included in your suite is a minibar replenished daily, and all the amenities of the all-inclusive (food, drink, entertainment, activities, etc.). Bedding is a request of King Bed or 2 Doubles. We can't guarantee bedding, but will pass along your request to the resort. Also available; satellite TV, telephone, wifi, air conditioning, coffee maker, and a balcony or terrace.

Standard Garden/Pool View or Sea View is available.
