The Sanctuary Camelback Mountain Resort and Spa

At the Sanctuary Resort on Camelback Mountain, mountains rise above you as the Phoenix metro area unfolds below you. The peacefulness of the desert can embrace you just as readily as the hustle and bustle of Scottsdale can coax you back into town. Groups of girlfriends thrive here, thanks to the sweeping views, inspiring villas, and just-remote-enough location.

If talk of living your best life sweeps through your friend group, breathe life into that shared dream in Scottsdale. From Old Town to Fashion Square Mall to your villa's private pool, Scottsdale is a place to live a little. Brush up on the top things to do, see, and eat during your visit.

***Middleton Travel is committed to providing a safe environment for all of our staff and tour participants. We will be practicing appropriate social distancing and will require the use of masks. The tour operators will comply with all CDC standards and guidelines.**
