#### The Sanctuary Camelback Mountain Resort and Spa

If you asked Cyndi Lauper, you'd think girls just want to have fun. If you ask us, girls do want to have fun, as long as that fun is underscored by the serenity of the spa, the peacefulness of the pool, and the balance that comes from escaping to a place between the bright lights of the city and the calm quiet of the desert.

At Sanctuary Resort on Camelback Mountain, mountains rise above you as the Phoenix metro area unfolds below you. The peacefulness of the desert can embrace you just as readily as the hustle and bustle of Scottsdale can coax you back into town. Groups of girlfriends thrive here, thanks to the sweeping views, inspiring villas, and just-remote-enough location.

If talk of living your best life sweeps through your friend group, breathe life into that shared dream in Scottsdale. From Old Town to Fashion Square Mall to your villa's private pool, Scottsdale is a place to live a little. Brush up on the top things to do, see, and eat during your visit.
