The Alexis Hotel

Contemporary sophistication in Downtown Seattle

At Kimpton Alexis Hotel, we can't help but be inspired by the city we call home, and the spirit of Seattle can be felt throughout our 1901 historical building. A mix of luxe design elements, curated local art pieces and nods to the city's iconic music scene reflect a storied past and vibrant present. Our revamped guest rooms and suites—outfitted in rich materials and natural finishes against a palette of nautical blues, earthy greens and warm whites—call to mind the lush backdrop of the Pacific Northwest. From the décor and amenities to the unparalleled service of our attentive staff, the effect is a sense of modern, approachable luxury that's as inviting as it is refined. Step inside and experience the ultimate
