PRINCESS Cruise to Vancouver

7 day Voyage of The Glaciers

June 1 - 8, 2022

Grand Princess you can expect the extraordinary as you step aboard and discover the captivating possibilities, all true to her name ... Dining on board a Princess® cruise ship is a joyful celebration with our specialty restaurants always deliver an extraordinary experience. With brand new top deck dining venues, Slice Pizzeria, The Mix, Salty Dog Grill and Coffee & Cones you'll have even more tantalizing options to choose from during your stay on board Grand Princess. Relax at The Sanctuary, a tranquil haven reserved for adults, enjoy Movies Under the Stars® poolside or see an award-winning Broadway-style production show in the upgraded Princess Theater, showcasing an even more immersive audio experience.

It comes as a surprise to some people to learn that there are mountains on Vancouver Island. These folks might be even more surprised to learn that there are extensive glaciers here as well. Given the northern latitude and proximity to the Pacific Ocean, this shouldn't really be that much of a surprise. Unfettered access to a well-recognized symbol of Vancouver Island is an ongoing bone of contention between the forest industry and those of us who care for the wild places on the Island. The first ascent of the Glacier took place in August 1922.
