SEE MORE • EXPERIENCE MORE • TASTE MORE

A CELEBRATION OF THE SENSES

A new flavor can only be tasted once. The second time you sample that flavor, the taste is merely a luscious echo that simply does not measure up to that first time it danced across your palate. To many; it is the main reason they travel. And it is why we created the **Culinary Collection**. You'll discover a wide variety of delicious and delightful experiences on these unique cruise experiences ranging from demonstrations from world-renowned chefs to complimentary wine, indulgent chocolates to delightful meals focused on regional cuisine all surrounding you in a world of epicurean delights.

As an added bonus, you will receive additional amenities at no additional charge, thanks to our agency's special relationship with this cruise line. These little indulgences include a **private, behind the scenes galley tour** as well as the services of a **Distinctive Voyages Host**, a **Private Welcome Reception** and an **Exclusive Shore Event**—but only when you book through our agency.
