5 DAY SUNSHINE COAST & ISLAND EXPLORER

ITINERARY

DAY 1: Brisbane to Sunshine Coast

On arrival into Brisbane Domestic Airport make your way to the rental car collection point to pick up your car hire and begin your journey to the Sunshine Coast. Just an hour outside of Brisbane is Australia Zoo, home of the "Crocodile Hunter", television personality and conservationist, Steve Irwin. Meet over 1,200 animals from the African Savannah, South-East Asia and of course all the Aussie favourites including the big salty crocs! After your visit at Australia Zoo continue to your accommodation at Caloundra.

DAY 2: Sunshine Coast to Hervey Bay

It's a leisurely start to the day so check out some of the local cuisine and amazing coffee before you continue heading north. Golden beaches stretching 13kms, calm clear waters, no crowds, fantastic views and one of Australia's long piers which is more than 100 years old - this is Hervey Bay! Whether you prefer to sit back and relax or if you're more of an adrenalin seeker this is the place for you. From jet skiing, wind surfing, to joining a sunset cruise there is an experience for everyone.

DAY 3: At Hervey Bay

Join a Fraser Island trip like no other; experience the unique and untouched remote west coast of World Heritage listed Fraser Island (K'gari) and be one of the few to explore parts of the island only the locals know about. Throughout the day you will join some bush treks, snorkelling the clear water, kayaking and of

course cool off with a swim. Depending on the time of year (July - Late October) you might want to consider upgrading to include the humpback whale watch encounter. Be in awe as you watch the majestic giants frolic in the calm waters off the Fraser Island Coast.

DAY 4: Hervey Bay to Noosa

You farewell Hervey Bay and head to Noosa. Leave the car at your hotel and explore this stylish seaside town by foot. With subtropical trees and greenery blending with low rise architecture, designer boutiques, alfresco cafes and pristine beaches, it's easy to see why Noosa is such a popular holiday destination for Australians. It certainly offers the best of nature and culture for all to enjoy!

DAY 5: Noosa to Brisbane

There is time for one last early stroll on the beach before packing up and making your way back to Brisbane where you will return your rental car and head home.
