- » 2 nights' accommodation, Byron Bay
- » 1 nights' accommodation, Lamington National Park

ITINERARY

DAY 1: Sydney to Port Stephens

Taking to the road you will travel along the stunning Central Coast region. Along the way make sure to take a side trip to the Bouddi Coastal walk; an 8km boardwalk which twists and turns along the rugged coastline. You'll be rewarded with some amazing views and a swim at the McMasters beach. Depending on the time of the year you may spot the migrating Humpback whales. Another great spot is "The Skillion" a uniquely shaped promontory offering some of the best panoramic Pacific Ocean views along the coast. Finally check out the Norah Head Light house; virtually untouched since 1903 except for the installation of the electric light.

7 DAY PACIFIC COAST DISCOVERY

DAY 2: At Port Stephens

Port Stephens is a beautiful harbour town offering something for everyone but is best known for its crystal-clear water, beautiful beaches, gourmet restaurants and whale and dolphin watching. Maybe join a dolphin watch boat trip today? There are boat trips that are designed to give you the best possible view of these lovely playful creatures and on warm days, it may even be possible to swim with the dolphins. If you want a bit more adventure then you must try quad biking on the sand dunes.

DAY 3: Port Stephens to Coffs Harbour

Passing through seaside villages and Port Macquarie you will eventually arrive at the home of the Big Banana, Coffs Harbour. Coffs is well known for its spectacular coastline and friendly relaxed atmosphere. There is plenty of things to see and do such as bush walking, fishing, family theme parks and water sports or simply choose to do nothing but relax.

DAY 4: Coffs Harbour to Byron Bay

Your drive today will skirt by the beautiful Bundjalung National Park on-route to Byron Bay. This park is renowned for stunning natural scenery from rivers, lagoons, and secluded beaches. Before heading into Byron Bay take a detour out to the hinterland and check out Minyon falls. Watch the water cascade to a deep palm-shaped gorge roughly 100m below from the lookout.

DAY 5: At Byron Bay

Time to relax in Byron Bay, the most easterly point in Australia. Walk the Cape Byron Track to the trademark lighthouse, kayak with dolphins, learn to surf, trawl

the markets, indulge in a day spa or simply explore the glorious beaches of the area.

DAY 6: Byron Bay to Lamington National Park

Today you will cross the border into the sunshine state and to finish on a high you will be staying at the wonderful hinterland rainforest retreat known as O'Reillys. The retreat offers expansive views of the western ranges, friendly guided activities and the famed tree top walk. To end the day make sure to pay a visit to the bar with delicious homemade pizzas and one of the best sunset views.
